It was incredibly hot day, and a lion was feeling very hungry. He came out of his den and searched here and there. He could find only a small rabbit. He caught the rabbit with some hesitation. “This rabbit can’t fill my stomach” thought the lion. As the lion was about to kill the rabbit, a deer ran that way. The lion became greedy. He thought; “Instead of eating this small rabbit, let me eat the big deer.” He let the rabbit go and went after the deer. But the deer had vanished into the forest. The lion now felt sorry for letting the rabbit off.
